Quick Start Guide

The Quick Start Guide is intended to provide the user with simple instructions on how to setup the terminal date/time and communication as well as to perform card enrollment and verification. For more details on other topics of terminal management, refer to the terminal's hardware user manual available in the package or online at

- **Kadex**
<http://info.fingertec.com/kadex-4>
- **m-Kadex**
<http://info.fingertec.com/mkadex-4>

1 Setting the Date and Time

• **Kadex**

1. Press **Menu**, go to **Options** and select **System Options**.
2. Select **Date/Time**, insert the correct value and press OK to save the settings.

• **m-Kadex**

The m-Kadex has to be connected to the software to set the date and time. Refer to the *m-Kadex user manual* for more details.

2 Enrolling Card Users

• **Kadex**

1. Press **Menu**, go to **User Manage** and select **Enroll User**. Select **Reg RFID** and press **OK** when you see "New Enroll".
2. Key in a **User ID**, and wave the card at the induction area until the card ID is displayed on-screen. Press **OK** to save.

• **m-Kadex**

1. Check that the green LED is blinking before proceeding. Then wave the administrator card twice. When the green LED blinks rapidly, wave the new user card at the terminal.

2. After the beep, wave the administrator card once to end the enrollment process, or repeat the steps above to enroll more cards.

3 Communication Settings

• **Kadex**

Press **Menu** > **Option** > **COM opt** > Set value for IP / Subnet mask / Gateway / Dev ID > OK to save > Restart to apply changes.

Default set value:

IP address - 192.168.1.201
Subnet mask - 255.255.255.0
Gateway - 192.168.1.1
Dev ID - 1
Password - 0

• **m-Kadex**

Connect m-Kadex to the software configuration settings. Refer to *m-Kadex hardware user manual*.

Software Roadmap

1

Installation

The FingerTec Ingress software installer is available in a DVD that comes with all FingerTec terminals. Complete the installation.

2

Online Activation

Use the terminal's serial number to activate your software online. Contact your local reseller or support@fingertec.com if you require offline software activation.

3 System Overview

All complete hardware and software user guides are available in the FingerTec DVD and downloadable online at <http://user.fingertec.com>
